There are circumstances in which these estimates will not be presented for a specific security you hold. **Please refer to Help/Glossary on Fidelity.com for additional information on these calculations.**

This table presents the estimated monthly interest and dividend income and return of principal that your current holdings may generate over the next rolling 12 months. The cash flows displayed are estimates provided for informational purposes only and there is no guarantee that you will actually receive any of the amounts displayed. These estimates should not be relied upon for making investment, trading or tax decisions. The estimates for fixed income are calculated using the security's coupon rate. The estimates for all other securities are calculated using an indicated annual dividend (IAD). The IAD is an estimate of a security's dividend payments for the next 12 months calculated based on prior and/or declared dividends for that security. IADs are sourced from third party vendors believed to be reliable, but no assurance can be made as to accuracy. There are circumstances in which these estimates will not be presented for a specific security you hold. **Please refer to Help/Glossary on Fidelity.com for additional information on these calculations.**

**Bond & CD Income** includes interest payments for fixed and variable rate bonds, international bonds that pay in USD, and Certificates of Deposit (CDs).

**Bond & CD Principal** includes maturing principal payments for fixed and variable rate bonds, international bonds that pay in USD, and Certificates of Deposit (CDs).

Electronic documents provide convenient recordkeeping as well as faster access. You can view and print all your financial documents from the past 10 years by logging into your account through the URL: [Fidelity.com/statements](http://Fidelity.com/statements). Your Year-End Investment Report will be online on or before February 9, 2018.
- ▶ Effective March 1, 2018, we are making some changes to the FDIC-Insured Deposit Sweep Program Disclosure Document (the 'Document') that governs your Individual Retirement Account, Health Savings Account and/or Fidelity Cash Management Account. Among these are modifications to the description of how the Program Administrator is compensated and additional disclosure that provides for the use of a different type of bank account at certain Program Banks. More specifically:

We changed the formula we use to determine the Program Administrator's compensation for the services it provides, and we made provisions for compensating the Program Administrator for assisting Fidelity in identifying new Program Banks to participate in the program. As a result of these changes, the Program Administrator will be paid a different fee than what was previously the case. To view the amended FDIC Insured Deposit Sweep Disclosure please see the links below.

We also made provisions for the use of a Demand Deposit Account or 'DDA' as an option for the interest bearing transaction sub-accounts. As a result, the interest bearing transaction sub-accounts at a Program Bank can be either a Negotiable Order of Withdrawal or 'NOW' or a Demand Deposit Account or 'DDA'. Regardless of whether the Program Bank utilizes a 'NOW' or 'DDA' it will still be referred to as a 'transaction sub-account'.

By continuing to maintain your account(s) without objecting to these changes, Fidelity will consider you to have acknowledged and agreed to be bound by the amended Document. To view the amended FDIC-Insured Deposit Sweep Program Disclosure Document for Individual Retirement Accounts and Health Savings Accounts please visit [www.fidelity.com/advance\\_notice\\_ira\\_fdic\\_disclosure](http://www.fidelity.com/advance_notice_ira_fdic_disclosure). - ▶ NOTIFICATION OF YOUR TAX WITHHOLDING OPTIONS IN REGARD TO DISTRIBUTIONS FROM YOUR IRA. Federal Income Tax Withholding - IRS regulations require us to withhold federal income tax at a rate of 10% from your total IRA distribution (excluding Roth IRA distributions) unless you elect not to have federal income tax withholding apply (provided you have supplied Fidelity with a U.S. address) or you elect to increase the rate of withholding. Federal income tax will not be withheld from distributions from a Roth IRA unless you elect to have such tax withheld or are otherwise subject to withholding because you are a non-resident alien. If taken under a periodic distribution plan, your election will remain in effect on checkwriting or periodic distributions taken from your IRA until revoked by you. You can change your withholding elections for future distributions at any time by contacting Fidelity.

State Tax Withholding: If federal income tax withholding is applied to your distribution, state income tax may also apply. Your state of residence will determine your state income tax withholding requirements, if any. Please refer to the lists below. Your state of residence is determined by the legal address of record on your IRA. For residents of AR, IA, KS, MA, ME, OK, or VT, if federal income tax withholding is applied to your distribution, state income tax will also apply. For residents of CA, DE, NC or OR, if federal income tax withholding is applied to your distribution, state income tax will also apply unless you elect not to have state income taxes withheld.

For residents of DC, if you take a distribution of your entire account balance and do not directly roll that amount over to another eligible retirement account, DC

requires that a minimum amount be withheld from the taxable portion of the distribution, whether or not federal income tax is withheld. For residents of MI, state income tax applies regardless of whether or not federal income tax withholding is applied to your distribution. Please reference the MI W-4P Form for information and to calculate the amount to withhold from your distribution. Tax withholding is not required if you meet certain MI requirements governing pension and retirement benefits. For residents of MS, state income tax withholding will apply regardless of whether or not federal income tax withholding is applied to your distribution, unless you elect not to have state income tax withheld. Residents of SC must provide a valid Social Security number; individual tax identification number; or tax identification number for a nonresident alien, if not SC requires that 7% tax be withheld from the distribution.

For residents of AK, FL, HI, NH, NV, SD, TN, TX, WA or WY, state income tax withholding is not available on IRA distributions. For residents of all other states, you are not subject to mandatory state income tax withholding; however, you may elect voluntary state income tax withholding in a percentage. If you elect to have state income taxes withheld and your state provides a minimum amount or percentage for withholding, you must elect a percentage that is not less than your state's minimum withholding requirements. If the percentage you elect for withholding is less than your state's minimum withholding requirements, your state's minimum amount or percentage will be withheld.

Whether or not you elect to have federal and/or state income tax withheld from your distribution(s), you are responsible for the full payment of federal income tax, any state or local taxes, and any penalties which may apply. You may be responsible for estimated tax payments and could incur penalties if your estimated tax payments are not sufficient. Please contact Fidelity for more information, or contact your state taxing authority for assistance. THE INFORMATION PROVIDED ABOVE IS GENERAL IN NATURE AND SHOULD NOT BE CONSIDERED LEGAL OR TAX ADVICE.

- Securities purchased on margin are the firm's collateral for the loan to you. The actual amount you can borrow and the firm's margin maintenance requirements may vary depending on the firm's internal margin policies which exceed the margin requirements of FINRA and NYSE. The firm's margin policies are subject to review and revision at any time in the firm's sole discretion. The firm reserves the right to alter the terms on your margin loan at any time to comply with changes in the firm's policies. If the securities in your account decline in value, so does the value of the collateral supporting your loan, and, as a result, the firm can take action, such as issue a margin call and/or sell securities or other assets in any of your accounts held with the member, in order to maintain the required equity in the account. It is important that you fully understand the risks involved in trading securities on margin.

The risks include the following: IMPORTANT: (1) YOU CAN LOSE MORE FUNDS THAN YOU DEPOSIT IN THE MARGIN ACCOUNT. (2) THE FIRM CAN FORCE THE SALE OF SECURITIES OR OTHER ASSETS IN YOUR ACCOUNT(S). (3) THE FIRM CAN SELL YOUR SECURITIES OR OTHER ASSETS WITHOUT CONTACTING YOU. (4) YOU ARE NOT ENTITLED TO CHOOSE WHICH SECURITIES OR OTHER ASSETS IN YOUR ACCOUNT(S) ARE LIQUIDATED OR SOLD TO MEET A MARGIN CALL. (5) THE FIRM CAN INCREASE ITS "HOUSE" MAINTENANCE MARGIN REQUIREMENTS AT ANY TIME AND IS NOT REQUIRED TO PROVIDE YOU ADVANCE WRITTEN NOTICE. (6) YOU ARE NOT ENTITLED TO AN EXTENSION OF TIME ON A MARGIN CALL.

- As of November 2017, the Holdings section of your account statement has been enhanced to display Estimated Annual Income (EAI), Estimated Yield (EY), and Accrued Interest (AI) values for more security types. The Estimated Cash Flow section of your statement also displays estimated dividend income for these additional security types.

We are also providing you with the following description of the Lottery Process: When street name or bearer securities held for you are subject to a partial call or partial redemption by the issuer, National Financial Services LLC (NFS) may or may not receive an allocation of called/redeemed securities by the issuer, transfer agent, and/or depository. If NFS is allocated a portion of the called/redeemed securities, NFS utilizes an impartial lottery allocation system, in accordance with applicable rules, that randomly selects the securities within customer accounts that will be called/redeemed. NFS' allocations are not made on a pro rata basis and it is possible for you to receive a full or partial allocation, or no allocation.

A more detailed description of the Lottery Process may be accessed by visiting [Fidelity.com/callable-securities](http://Fidelity.com/callable-securities). You may also request a hard copy of the Lottery process by writing to National Financial Services LLC, P.O. Box 770001, Cincinnati, OH 45277.

► Client agreement update: no action is required.

The Client Agreement that governs your account(s) has been updated to further clarify that just one joint owner, one trustee, or one authorized person on a business account may receive communications and account documents of any kind on behalf of the account, and also may change an account's delivery preferences from paper to electronic on behalf of the account. As a result of this change, the delivery preference will be set for electronic delivery for any trust account that has an owner who is currently enrolled in eDelivery for their other accounts. Trustees who want to continue to receive paper copies of statements and confirmations may consider requesting interested-party copies for these accounts, or having the trustees who may be currently enrolled in electronic delivery revoke their consents: all eDelivery enrolled account owners are required to revoke their consents in order to receive paper copies of communications and account documents on the account. Please note that such revocation will affect all associated accounts.

**Estimated Annual Income (EAI) & Estimated Yield (EY)** - EAI for fixed income is calculated using the coupon rate. For all other securities, EAI is calculated using an indicated annual dividend (IAD). The IAD is an estimate of a security's dividend payments for the next 12 months calculated based on prior and/or declared dividends for that security. EY reflects only the income generated by an investment and not changes in its price which may fluctuate. Interest and dividend rates are subject to change at any time and may be affected by current and future economic, political and business conditions. EAI and EY are provided for informational purposes only and should not be used or relied on for making investment, trading or tax decisions. EAI and EY are based on data obtained from information providers believed to be reliable, but no assurance can be made as to accuracy, timeliness or completeness. EAI is not displayed for amounts less than \$10. **Please refer to the Help/Glossary on Fidelity.com for additional information regarding these calculations.**

**Income Summary** Shows income by tax status for the statement and year-to-date periods. Except for interest income earned on, or distributed by, tax-exempt securities, Fidelity reports dividends and capital gains held in taxable accounts as taxable income. A portion of income reported as tax-exempt income may be subject to alternative minimum taxes and/or state and local taxes. In Traditional IRAs, Rollover IRAs, SEP-IRAs, SIMPLE IRAs and Keoghs, earnings are reported as tax-deferred income. In Roth IRAs and HSAs, earnings are reported as tax-exempt income as they may be federally tax-exempt if certain conditions are met.

**Cost Basis, Gain/Loss, and Holding Period Information** NFS is required to report certain cost basis and holding period information to the IRS on Form 1099-B. Unless otherwise specified, NFS applies the average cost method for open-end mutual funds and the first-in, first-out (FIFO) method for all other securities. Cost basis is adjusted for wash sales on securities with the same CUSIP held in the same account (unless your account receives mark-to-market reporting). Your statement may not reflect all adjustments required for tax purposes. Customers should consult their tax advisors for further information.

**Cost** Fidelity provides purchase cost information for securities held in retirement and HSA accounts. Such information may be adjusted for certain transactions and does not reflect dividends or capital gains reinvestments. Fidelity reports transaction profit or loss information when securities are sold within a retirement or HSA account. Transaction profit or loss is calculated by subtracting purchase cost from sales proceeds

using the FIFO method if shares were purchased at different times or prices. **Statement Mailing** We deliver statements at least four times during the calendar year for any account with a balance.

**Statement Discrepancies** Please review your statement and report any inaccuracies or discrepancies. Inquiries, concerns or questions regarding your brokerage account or the activity therein should be directed to FBS by calling 800-544-6666, and NFS, who carries your brokerage accounts, by calling 866-408-1138. **Material Changes** Please advise us of material changes in your investment objectives or financial situation related to your brokerage account(s).

**Mutual Funds and Performance** Before investing, consider the funds' investment objectives, risks, charges and expenses. Contact Fidelity for a prospectus containing this information. Read it carefully. Performance data shown represents past performance and is no guarantee of future results. Investment return and principal value will fluctuate, so you may have a gain or loss when shares are sold. Current performance may be higher or lower than that quoted. Visit [Fidelity.com/performance](http://Fidelity.com/performance) for most recent month-end performance.

**Sales Loads & Fees** Each fund reserves the right to terminate or modify its exchange privilege in the future. In connection with (i) access to, purchase or redemption of, and/or maintenance of positions in mutual funds and other investment products ("funds") or (ii) infrastructure needed to support such funds, some funds, or their investment affiliates, pay FBS and/or NFS sales loads and 12b-1 fees described in the prospectus as well as additional compensation for shareholder services, start-up fees, infrastructure support and maintenance, and other programs. Additional information about the source(s) and amount(s) of compensation as well as other remuneration received by FBS or NFS will be furnished to you upon written request. At the time you purchase shares of funds those shares will be assigned either a load, transaction fee (TF) or no transaction fee (NTF) status. When you subsequently sell those shares, any fees applicable to your transaction will be assessed based on the status assigned to the shares at the time of purchase.

## Additional Information About Your Brokerage Account, If Applicable

**Free credit balances (FCB)** are funds payable to you on demand. FCB are subject to open commitments such as uncleared checks and exclude proceeds from sales of certificated securities without delivery of the certificate. If your FCB is swept to a core position, you can liquidate the core position and have the proceeds sent to you or held in your account subject to the terms of your account agreement. Required rule 10b-10(a) information not contained herein will be provided on written request. **Assets Separate from Your Brokerage Account** Only securities in the margin portion of your brokerage account contribute to margin and maintenance requirements. Other Assets, which may be reported on your statement, including insurance products that are distributed by FBS and Fidelity Insurance Agency, Inc. and mutual fund only accounts held directly with the fund (Fidelity Mutual Fund Accounts) are not carried by NFS, not covered by the Securities Investor Protection Corporation (SIPC) and do not count toward your margin and maintenance requirements. Assets held in brokerage accounts managed by Strategic Advisers, Inc. (SAI) are carried by NFS and covered by SIPC but do not contribute to your margin and maintenance requirements. **Short Account Balances** Securities sold short are held in a segregated short account. These securities are marked-to-market for margin purposes, and any increase or decrease from the previous week's value is transferred weekly to your margin account. Fidelity represents your short account balance as of the last weekly mark-to-market, not as of the statement end date.

**Information About Your Option Transactions** Each transaction confirmation previously delivered to you contains full information about commissions and other charges, and such information is available promptly upon request. Assignments of American and European-style options are allocated among customer short positions pursuant to a random allocation procedure, a description is available upon request. Short positions in American-style options are liable for assignment anytime. The writer of a European-style option is subject to exercise assignment only during the exercise period. For more information, please call Fidelity at 800-544-6666. **Equity Dividend Reinvestment** Shares credited to your account resulted from transactions by FBS acting as agent for your account, or the Depository Trust Company (DTC). **Price Information/Total Market Value** The Total Market Value has been calculated out to 9 decimal places; however, the individual unit price is displayed in 5 decimal places. The Total Market Value represents prices obtained from various sources, may be impacted by the frequency with which such prices are reported and such prices are not guaranteed. Prices received from pricing vendors are generally based on current market quotes, but when such quotes are not available the pricing vendors use a variety of techniques to estimate value. These estimates, particularly for fixed income securities, may be based on certain minimum principal amounts (e.g. \$1 million) and may not reflect all of the factors that affect the value of the security, including liquidity risk. The prices provided are not firm bids or offers. Certain securities may reflect N/A or unavailable where the price for such security is generally not available from a pricing source. The Market Value of a security, including those priced at par value, may differ from its purchase price and may not closely reflect the value at which the security may be sold or purchased based on various market factors. The sale or redemption of any fixed income security prior to maturity may result in a loss. Prices for Certificates of Deposits (CDs) on your statement are generally estimates and are not based on actual market prices. The secondary market for CDs is generally illiquid. You should always request a current valuation for your securities prior to making a financial decision or placing an order.

**Executing Orders on the Floor of the NYSE** The Floor broker may permit the Designated Market Maker to trade on parity with the order for some or all of the executions associated with filling that order, where such permission would not be inconsistent with the broker's best execution obligations. **Agency Trades** Individual securities trades placed for your Fidelity® Personalized Portfolios account are completed on an agency basis by FBS.

**SIPC** Securities in accounts carried by NFS, a Fidelity Investments company, are protected in accordance with the SIPC up to \$500,000 (including cash claims limited to \$250,000). For details, including the SIPC brochure, please see [www.sipc.org](http://www.sipc.org) or call 1-202-371-8300. NFS has arranged for additional protection for cash and covered securities to supplement its SIPC coverage. Neither coverage protects against a decline in the market value of securities.

**Fidelity Investments** Fidelity Distributors Corporation (FDC) is the distributor for Fidelity Funds with marketing and shareholder services provided by FBS or NFS. **Brokerage services are provided by FBS, which clears all transactions through its affiliate, NFS. NFS carries all brokerage accounts. FBS and NFS are members of the NYSE and SIPC.** FBS, NFS, and FDC are direct or indirect subsidiaries of FMR LLC. Upon written request, Fidelity will mail an NFS financial statement, which is also available for inspection at its office. Fidelity Investments (with pyramid logo) is a trademark of FMR LLC.

**SAI Services** Fidelity Portfolio Advisory Service®, Fidelity® Strategic Disciplines, Fidelity Wealth Management AdvisorySM, and BlackRock® Diversified Income Portfolio are services provided by SAI, a registered investment adviser and a Fidelity Investments company. Fidelity GoSM is a service provided by SAI and Geode Capital Management LLC, an unaffiliated registered investment adviser. Fidelity® Personalized Portfolios may be offered through SAI or Fidelity Personal Trust Company, FSB (FPTC), a federal savings bank. Non-deposit investment products and trust services offered through FPTC and its affiliates are not insured or guaranteed by the FDIC or any other government agency, are not obligations of any bank, and are subject to risk, including possible loss of principal. **These advisory services are provided for a fee.**

**Ratings Information from Standard & Poors ("S&P")** may not be reproduced. S&P credit ratings are statements of opinion and are not statements of fact or recommendations to purchase, hold, or sell securities, nor do they address the suitability of securities for investment purposes, and should not be relied on as investment advice. S&P does not guarantee the accuracy, completeness, timeliness or availability of any information, including ratings, and is not responsible for errors or omissions (negligent or otherwise). S&P gives no express or implied warranties, including but not limited to any warranties of merchantability or fitness for a particular purpose or use. S&P shall not be liable for any direct, indirect, incidental, exemplary, compensatory, punitive, special or consequential damages, costs, expenses, legal fees, or losses (including lost income or profits and opportunity costs) in connection with any use of ratings.

**Miscellaneous** Mutual fund shares, other securities held in your account, and insurance products are neither deposits nor obligations of, nor endorsed or guaranteed by, any bank or other depositing institution, nor are they federally insured by the FDIC or any other agency. If you request a reprint of your statement, the disclosure information may not be the same as the information originally provided.
